News Release

UD ORGAN SERIES OPENS SEPTEMBER 25

DAYTON, Ohio, September 13, 1983 -- The first program in the 1983-1984 University of Dayton Organ Series will feature Richard Benedum on organ and Julane Rodgers on harpsichord. The joint recital, at 8 p.m. on September 25, will be held at the Seventh-day Adventist Church, 3939 Stonebridge Road in Kettering. Admission to the concert is free.

The program will feature music for two composer's anniversaries. Rodgers will perform Jean-Philippe Rameau's Suite in D, in honor of the 300th anniversary of his birth (September 25, 1633). Benedum will play chorale preludes of Brahms in honor of the composer's 159th birth anniversary. The concert will also include music of J. S. Bach, Percy Whitlock, and Johann Ludwig Krebs' Concerto in A. Minor for harpsichord and organ.

Other programs in the Organ Series will feature Thomas Miles, organist at Xavier University, and John Winter of England.
